

JUMPSTART Your Business Idea!

A Business Accelerator Programme by nubie.com

Are you thinking about starting a business or are you considering a start your own business course?

- Have you recently been made redundant or are you looking at self employment as an option?
- Do you need a course that's designed for modern business?
- Would you benefit from a structured process, designed specifically for starting a business?
- Do you want to learn about the best supports available for small businesses?

Then keep reading...

What's involved?

Our training takes the form of a two-day workshop, with small groups, lots of discussions, interactive exercises and tips on how to get the best out of nubie.com! We'll also give you a top notch 100 page workbook to take home with you. Basic computer skills and access to a laptop are required.

By the time we're finished with you, you will:

- Be aware of your own strengths and weaknesses
- Have figured out how feasible your business idea is
- Have a 'to do' list to work on in the months ahead
- Be familiar with nubie.com and how to use it to your best advantage
- Start thinking strategically about your business idea
- Have a greater knowledge of all areas related to starting a business
- Meet like-minded individuals at a similar stage, in your local area
- Be motivated and excited about getting to work on your business

Not convinced yet? How does this sound?

- You'll be prepared for the road ahead.
- You'll understand what not to do!
- You'll have developed a plan to work to when you go home.
- You'll get to use our proven 9 step process.
- You can quiz your mentor over the 2 days!

Now take the plunge and let us help you to get your business up and running quickly!

Interested? Then fill this out and send it back!
